

Balaam's Donkey Talks

Lesson 9

God does amazing things to show his power.

"Come and see what God has done, how awesome his works in man's behalf!" (Psalm 66:5).

We learned this week that God does amazing things in our lives to show his power (Numbers 22:1-38). Strengthen your family's faith learning and growth at home with this easy idea:

Parents: Talk about a time God did something amazing in your life. What was your first response? Then think of other amazing things that have happened to you, and in the life of your family, that maybe you didn't give God the credit for. Spend time thinking of how God does amazing things in your life to show his power. Then, as a family, come up with one way to help you remember to thank God when he does something amazing in your lives in the future.

God, you're so powerful! Thank you for the amazing things you do in our lives. Most of all, thank you for the amazing gift of sending your Son to die on the cross for us. In Jesus' name, amen.
