

Cornerstone Church Infant/Toddler Nursery

GENERAL INFORMATION

- Bring your child (Infants and Toddlers) to their respective Nursery
 - Please hand your child over the door to the nursery worker
 - If it is your child's first time in the Nursery, please fill out a registration card
- Sign-in your child on the form, fill out a name badge, and place it on your child's back
 - Each label should be numbered to correspond with the child's pager number
- You will receive a numbered pager from the nursery worker
 - The number of the pager should correspond with the number on the child's label
- The child's diaper bag will be placed on a hook in the nursery that corresponds with their label/pager number
 - This creates triple-redundancy; the label number, pager number, and hook number should all match
- Once the service is over, you can retrieve your child from the Nursery
 - Please give the nursery worker the pager you were given
 - Only a parent (or a person you as the parent authorize) will be permitted to check out a child from the Nursery

SICK CHILD POLICY

Children with the following symptoms should not be dropped off:

- Fever, diarrhea, or vomiting in the last 48 hours
- Green or yellow runny nose
- Eye or skin infections
- Other symptoms of communicable or infectious disease
